

Hampstead Comprehensive Plan Community Input Questions and Comments

1 - What types of businesses would you like to have in Hampstead and why?

2 - What type of housing would you like to see available in Hampstead and why?

3 - With the Main Street Revitalization project scheduled to be finished this year, what type of activities and events would you like to occur on Main Street in the future?

4 - Now that our Revitalization Project is almost complete, what other improvements do you think are needed on our Main Street?

5 - What do you think needs to be done to improve our recreational programs, parks and activities for the youth of Hampstead?

6 - What do you think is Hampstead's main concern heading into the next ten years?

7 - How can Hampstead utilize our parks to bring events to town?

8 - How can the Town encourage community involvement?

9- The Town needs some residential and commercial growth to keep our taxes at a low rate and to help our local businesses thrive. Lack of growth can result in other negative impacts to our community like the closure of our local high school. How do you think Hampstead should balance this growth?

10 – Any other topics you think should be taken into consideration while updating our comprehensive plan?
